

## Do I Have Sinusitis?

Sinusitis is inflammation of the lining membrane of any sinus. Take the following quiz to see if you have sinusitis.

Choose "yes" if you have any of the following symptoms for ten days or longer; otherwise, choose "no."

1. Facial pressure/pain?

yes      no

2. Headache pain?

yes      no

3. Congestion or stuffy nose?

yes      no

4. Thick, yellow-green nasal discharge?

yes      no

5. Low fever (99-100°)?

yes      no

6. Bad breath?

yes      no

7. Pain in the upper teeth?

yes      no

If you answered "Yes" to three or more of the symptoms listed above, you may have a sinus infection resulting from allergies, bacteria, or a response to fungi. An examination by an ear, nose, and throat specialist may be warranted.
